

6.8 Security Instruments

6.8.a Provision of Security Instrument

At the BGS-LFP Supplier's choice, the following are deemed to be acceptable methods for posting security (each, a "Security Instrument"), if required:

(i) Cash; or

(ii) An irrevocable, transferable, standby letter of credit acceptable to the Companies issued by a bank or other financial institution with a minimum "A" senior unsecured debt rating (or, if unavailable, corporate issuer rating discounted one notch) from S&P or Moody's (a "Letter of Credit"). (A standard format for the Letter of Credit is provided in Appendix F.) The Letter of Credit shall state that it shall renew automatically for successive one-year or shorter periods until terminated upon at least ninety (90) days prior written notice from the issuing financial institution. If the Companies receive notice from the issuing financial institution that the Letter of Credit is being cancelled, the BGS-LFP Supplier will be required to provide a substitute Letter of Credit from an alternative bank satisfying the minimum requirements. The receipt of the substitute Letter of Credit must be effective as of the cancellation date and delivered to the Companies at least thirty (30) days before the cancellation date of the original Letter of Credit. If the BGS-LFP Supplier fails to supply a substitute Letter of Credit as required herein, then the Companies will have the right to draw on the existing Letter of Credit and to hold the amount as Margin.

If the credit rating of a bank or other financial institution from which the BGS-LFP Supplier has obtained a Letter of Credit falls below levels specified in this Article 6, the BGS-LFP Supplier shall have two (2) Business Days following written notice by the Companies to obtain a suitable Letter of Credit from another bank or other financial institution that meets those standards unless such period is extended in writing by Companies.

6.8.b BGS-LFP Supplier Rights if Companies are Rated Below Investment Grade

If at any time during the Term the applicable rating of any two (2) of the Companies is below the Minimum Rating, as determined in accordance with Section 6.4, the BGS-LFP Supplier may provide written notification to the Companies requiring that the Companies transfer to a Qualified Institution, within two (2) Business Days, any cash in the Companies'

possession or held on the BGS-LFP Suppliers' behalf that had been posted as a Security Instrument by the BGS-LFP Supplier under the terms of this Agreement. The Qualified Institution will hold the cash collateral in an interest-bearing account pending release of the funds pursuant to the terms of this Agreement. Interest will be allocated pro rata to the BGS-LFP Supplier. The BGS-LFP Supplier will be entitled to the rights described in this Section 6.8.b only for so long as the applicable rating for any two of the Companies is below the Minimum Rating.

6.9 Maintenance of Creditworthiness

6.9.a Reporting of Changes

The BGS-LFP Supplier shall promptly notify the Companies: (i) of any changes in its credit rating or the credit rating of its Guarantor, (ii) if the BGS-LFP Supplier or its Guarantor is placed on a credit watch with negative implications by any rating agency, and (iii) of any materially adverse change in its financial condition or in the financial condition of its Guarantor. The BGS-LFP Supplier or Guarantor shall also furnish evidence of an acceptable credit rating or financial condition upon the request of the Companies.

6.9.b Change in Credit Standing

The Companies will re-evaluate the creditworthiness of the BGS-LFP Supplier whenever they become aware, through the provision of notice by the BGS-LFP Supplier or otherwise, of a decrease in the BGS-LFP Supplier's or Guarantor's credit rating. If the lowest credit rating (whether corporate issuer rating or unsecured senior debt rating) used to determine the BGS-LFP Supplier's Credit Limit decreases, the BGS-LFP Supplier shall provide an additional Security Instrument to the Companies (or increase the value of the existing Security Instrument) in accordance with Section 6.4.

6.10 Calling on Security

The Companies may call upon the Security Instrument posted by the BGS-LFP Supplier if the BGS-LFP Supplier fails to pay amounts due to the Companies pursuant to this Agreement or any other agreement(s) between a Company and the BGS-LFP Supplier for the provision of BGS Supply after all of the following events occur:

- (i) Written Notice of Default is provided to the BGS-LFP Supplier; and

(ii) Any applicable cure period ends.

The foregoing notwithstanding, the Security Instrument posted by the BGS-LFP Supplier shall become due automatically, and may be called upon by the Companies, without prior notice or right of cure in the case of any Event of Default arising under subsections (i), (ii), (iii), (iv), (v), (vi), (vii), (viii) or (ix) of Section 5.1.

6.11 Interest on Cash Held by Companies

The Companies will pay simple interest (not compounded) calculated at the lower of the Interest Index or six (6) percent per annum on all cash posted by the BGS-LFP Supplier with the Companies pursuant to this Agreement. Each Billing Period the Companies will prepare a statement of interest amounts due to the BGS-LFP Supplier. The statement will be sent to the BGS-LFP Supplier within three (3) Business Days after the end of the Billing Period via overnight mail, facsimile or other expeditious means. The Companies shall make interest payments on the first Business Day after the fifth (5th) day of each Billing Period.

6.12 Confidentiality

Information supplied by the BGS-LFP Supplier in connection with the creditworthiness process shall be deemed confidential and not subject to public disclosure, unless Applicable Legal Authorities require disclosure of the information. If information must be disclosed, then the confidentiality of the information shall be maintained consistent with the Applicable Legal Authority's rules and regulations pertaining to confidentiality. The BGS-LFP Supplier will be given prompt notice of any request by a third party to obtain confidential information related to the BGS-LFP Supplier's creditworthiness.

6.13 No Endorsement of BGS-LFP Supplier

The Companies' determination that the BGS-LFP Supplier is creditworthy pursuant to the process set forth above, shall not be deemed to constitute an express or implied warranty or guarantee of any kind with respect to the financial or operational qualifications of the BGS-LFP Supplier. The Companies will treat all BGS-LFP Suppliers in a non-discriminatory manner and shall provide no preference to any BGS-LFP Supplier.

6.14 Multiple BGS Supply Agreements

It is the intent of the Companies and the BGS-LFP Supplier that, in the event the BGS-LFP Supplier is a party to other agreements with a Company for the provision of BGS Supply, the Companies will calculate one (1) Margin applicable to all such agreements using the methodology set forth herein. The BGS-LFP Supplier will have a single line of credit applicable to all BGS Supply agreements, and the Margin that is calculated is the Total Exposure Amount under all such contracts less the single line of credit.

Notwithstanding anything to the contrary in this Agreement, this Agreement does not impose on the BGS-LFP Supplier any obligation towards or liability to any Other BGS Supplier.

13.2 Risk of Loss and Changes in Market Rules and Conditions

Until the BGS-LFP Supply is delivered to the Companies at the Delivery Points, the BGS-LFP Supplier shall bear all risk of loss associated with the procurement and delivery of BGS-LFP Supply. Title to and risk of loss related to BGS-LFP Supply shall transfer from the BGS-LFP Supplier to the Companies at the Delivery Points. Notice received after the close of the Business Day shall be deemed received on the next Business Day; provided, however, that notice by facsimile transmission shall be deemed to have been received by the recipient if the recipient confirms receipt telephonically or in writing.

15.2 No Prejudice of Rights

The failure of a Party to insist on any one or more instances upon strict performance of any provisions of this Agreement, or to take advantage of any of its rights hereunder, shall not be construed as a waiver of any such provisions or the relinquishment of any such right or any other right hereunder, which shall remain in full force and effect. No term or condition of this Agreement shall be deemed to have been waived and no breach excused unless such waiver or

consent to excuse is in writing and signed by the Party claimed to have waived or consented to excuse.

15.3 Assignment

Parties shall not assign any of their rights or obligations under this Agreement without obtaining (a) any necessary regulatory approval(s) and (b) the prior written consent of the non-assigning Party, which consent shall not be unreasonably withheld; provided, however, that the Companies agree that they shall grant their consent to a proposed assignment by the BGS-LFP Supplier if the proposed assignee meets all of the Companies' creditworthiness requirements then in effect under Article 6. No assignment of this Agreement shall relieve the assigning Party of any of its obligations under this Agreement until such obligations have been assumed by the assignee and all necessary consents have been obtained. Any assignment in violation of this Section 15.3 shall be void; provided, however, a Company may assign any or all of its rights and obligations under this Agreement, without the BGS-LFP Supplier's consent, to any entity succeeding to all or substantially all of the assets of such Company, if such assignee agrees, in writing, to be bound by all of the terms and conditions and all necessary regulatory approvals are obtained. The BGS-LFP Supplier may, with prior written notice to the Companies but without obtaining the approval of the Companies, assign the accounts, revenues or proceeds under this Agreement to a third party. The Companies agree that, following receipt of such notice of the assignment of accounts, revenues or proceeds and such other documentation that the Companies may reasonably request, the Companies will pay amounts becoming due to the BGS-LFP Supplier under this Agreement directly to the designated assignee; provided, however, that nothing herein shall enlarge or expand the rights of such designated assignee beyond the rights granted to the BGS-LFP Supplier and the right of such designated assignee to receive payments shall be subject to all defenses, offsets and claims of the Companies arising under this Agreement. The Companies further agree that, in the event necessary regulatory approvals to effectuate an assignment have been sought in good faith but that action by the regulatory body is pending, the Companies shall accept the performance of the proposed assignee as a Party to this Agreement, as co-obligor with the BGS-LFP Supplier proposing to assign its interest, until such approvals are obtained; provided, however, that, in the event the regulatory body declines to grant its approval (or, in the discretion of the Companies, in the event the application seeking approval is still pending without action by the regulatory body after ninety (90) days), the request for approval of the assignment shall be deemed to have been rejected for good reason.

15.4 Governing Law and Venue

To the extent not subject to the jurisdiction of the FERC, questions, including those concerning the formation, validity, interpretation, execution, amendment, termination and construction of this Agreement, shall be governed by the laws of the State of Illinois, without regard to principles of conflicts of law. Any lawsuit arising in connection with this Agreement shall be brought before the FERC, the ICC, or in the State or federal courts of Illinois.

15.5 Headings

The headings and subheadings contained in this Agreement are used solely for convenience and do not constitute a part of the Agreement between the Parties hereunto, nor should they be used to aid in any manner in the construction of this Agreement.

The Parties have each been represented by counsel of their choosing in connection with entering into this Agreement. Any rule of construction or interpretation requiring this Agreement to be construed or interpreted for or against any Party shall not apply to the construction or interpretation of this Agreement.

15.7 Presumption of LMP Market

This Agreement has been drafted with the presumption that, during the Delivery Period, there will exist a real-time LMP Market encompassing the Delivery Points. In the event such an LMP Market fails to exist during the Delivery Period, the Parties will revise this Agreement in an effort to provide for its effective implementation and application, without altering the balance of risks, rewards, and costs currently set forth in this Agreement.

15.8 Changes in Rules or Tariffs

In the event of a material change during the Term of any rules or tariffs affecting any Parties' obligations under this Agreement, from the state of such rules or tariffs on the Effective Date, the Parties' obligations under this Agreement shall change as well in a manner in keeping with the balance of risks, rewards, and costs currently set forth in this Agreement including, above all, the principle that the BGS-LFP Supplier bears the risk of changes related to the delivery of BGS-LFP Supply to the Delivery Points and the Companies bear the risk of changes

related to the delivery of BGS-LFP Supply from the Delivery Points to BGS-LFP Customers. If deemed necessary by any Party, the Parties shall revise this Agreement to reflect such change(s).

15.9 Entire Agreement

This Agreement supersedes all previous representations, understandings, negotiations and agreements either written or oral between the Parties hereto or their representatives with respect to the subject matter and constitutes the entire agreement of the Parties with respect to the subject matter.

15.10 Exhibits

Appendices A through G referred to herein and attached hereto are made a part of this Agreement for all purposes.

15.11 Third Party Beneficiaries

This Agreement is intended solely for the benefit of the Parties. Nothing in this Agreement shall be construed to create any duty, or standard of care with reference to, or any liability to, any person not a Party to this Agreement.

15.12 Successors and Assignees

This Agreement shall inure to the benefit of and be binding upon the successors and permitted assignees of the Parties.

(iv) Should any provision of this Agreement be held invalid or unenforceable, such provision shall be invalid or unenforceable only to the extent of such invalidity or unenforceability without invalidating or rendering unenforceable any other provision of this Agreement unless such invalidity or unenforceability materially changes the balance of risks, rewards, and costs agreed to by the parties as set forth in this Agreement in which case this Agreement shall be deemed null and void ab initio.

(v) Each of the Parties acknowledges that it has read this Agreement, understands it, and agrees to be bound by its terms.

(vi) This Agreement is intended by the Parties as a final expression of their agreement.

(vii) It is the intention at the inception and throughout the Term that the fulfillment of the BGS-LFP Supplier's obligation under Section 2.1.b(i) will result in physical delivery of BGS-LFP Supply and not financial settlement.

(viii) The quantity of BGS-LFP Supply that it must deliver and that the Companies must accept for delivery will be determined by the requirements of the BGS-LFP Load, and, as such, this Agreement does not provide for an option by any Party with respect to the quantity of BGS-LFP Supply to be delivered or received during performance of the Agreement.

15.14 Taxes

The BGS-LFP Supplier shall pay or cause to be paid all taxes imposed by any government authority ("Governmental Charges") on or with respect to the BGS-LFP Supply arising prior to the Delivery Points. The Companies shall pay or cause to be paid all Governmental Charges on or with respect to the BGS-LFP Supply at and from the Delivery

Points (other than any taxes, including but not limited to franchise, income, value-added or gross receipts taxes, if any, which are imposed on or related to the sale, at wholesale, of the BGS-LFP Supply and are, therefore, the responsibility of the BGS-LFP Supplier). In the event the BGS-LFP Supplier is required by law or regulation to remit or pay Governmental Charges that are the Companies' responsibility hereunder, the Companies shall promptly reimburse the BGS-LFP Supplier for such Governmental Charges. If the Companies are required by law or regulation to remit or pay Governmental Charges that are the BGS-LFP Supplier's responsibility hereunder, the Companies may deduct the amount of any such Governmental Charges from the sums due to the BGS-LFP Supplier under Article 9. Nothing shall obligate or cause a Party to pay or be liable to pay any Governmental Charges for which it is exempt under the law.

15.15 Registered Agent

The BGS-LFP Supplier and any Guarantor shall maintain a registered agent for service of process in the State of Illinois.

15.16 Binding Terms

This Agreement and the rates, terms and conditions herein shall remain in effect for the entire Term. Absent the agreement of the Companies and the BGS-LFP Supplier to a proposed change to this Agreement, the Parties agree that the standard of review for any change to this Agreement, whether proposed by a Party, a non-party, the ICC or FERC acting sua sponte, will be the "public interest" standard of review set forth in United Gas Pipe Line Co. v. Mobile Gas Service Corp., 350 U.S. 332 (1956) and Federal Power Commission v. Sierra Pacific Power Co., 350 U.S. 348 (1956).

15.17 Amendment

Unless ordered by FERC, this Agreement, including the appendices hereto, cannot be amended without the written agreement of all Parties and the approval of the FERC, if necessary, prior to such amendment becoming effective.

15.18 Counterparts

This Agreement may be executed in counterparts, each of which will be considered an original, but all of which shall constitute one instrument.

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed by their duly authorized representatives as of the date first set forth above.

APPENDIX D – MTM EXPOSURE AMOUNT CALCULATION INFORMATION

Each Business Day during the Term, the Companies shall calculate the MtM Exposure Amount which shall be equal to the sum over the Delivery Period of the difference between the Forward Market Prices for Energy deliverable to the MISO Illinois Hub or MISO Cinergy Hub during remaining months of the Term and the Forward Market Prices for comparable Energy as of the Auction Date multiplied by the forecast load for each month as described in detail in this Appendix D.

If the calculation of the Mark-to-Market Exposure Amount results in a negative number, the Mark-to-Market Exposure Amount shall be zero (0).

The total MTM that will be used to calculate the MTM exposure amount will be equal to the sum of the MTM for each remaining billing month times 1.1.

Table 1 contains Forward Market Prices for all months of the Delivery Period of this and other BGS-LFP Agreements as of the Auction Date. Only those Forward Market Prices for months included in the Delivery Period will be used to calculate the MtM Exposure Amount for the BGS-LFP Supplier. The Forward Market Prices contained in Table 1 are based on the following methodology:

1. For each month, if the Companies were able to obtain Liquid MISO Illinois Hub Quotes for at least four (4) data points (bid and offer prices from at least two brokers or published indices) required to complete the table for such month, the Companies included such Liquid MISO Illinois Hub Quotes in the table, otherwise, the Companies used Liquid MISO Cinergy Hub Adjusted Quotes for the data points, if available, or, if not available, Liquid Other Hub Adjusted Quotes for the data points. If Liquid Quotes for at least four (4) data points were not available for a particular month, the Companies set the initial Forward Market Price based on a proprietary method that utilized industry best practices. Such indicative pricing utilizing this methodology was provided to interested parties at least 14 days prior to the Auction.
2. For a given data point, the Companies used Liquid Quotes either specific to that month, a two (2) month block including that month, a seasonal block including that month, a quarterly block including that month, or an annual strip including

that month, in that order of preference based on availability of a Liquid Quote. If the Companies were unable to obtain a Liquid Quote specific to that month, but could "back out" a monthly quote proxy from a two-month, seasonal, quarterly, or annual Liquid Quote that included the month at issue, based on the weighted average of On-Peak hours for the relevant month against the On-Peak hours for other months where pricing is available, the "backed out" price was be utilized.

Table 2 contains data comparable to that shown in Table 1 as of the Effective Date. This data was developed initially on the first Business Day following the Auction Date, and updated each Business Day thereafter, using the same methodology for selecting Liquid Quotes used for the data in Table 1, with the following addition:

3. If Liquid Quotes for four (4) data points for a given month were not available on a given Business Day (the "Current Day"), the Forward Market Prices for these months were determined through a methodology that: (i) looked to the average change in Forward Market Prices between the prior Business Day (the "Prior Business Day") and the Current Day for those months during the Delivery Period for which there existed Liquid Quotes for at least four (4) data points and (ii) applied a similar change to the month for which four (4) Liquid Quotes were not available.

The following is an example for the month of March 2008:

- a. Average Prior Business Day price for months with quotations on the current day = \$50
- b. Average Current Day price for same months with quotations = \$51
- c. Average change for all months with available quotations on both days = +2%
- d. Therefore, adjustment of +2% to March 2008 Forward Market Price made between Table 2 for Prior Business Day and the Current Day.

The Companies will update the data in Table 2 each Business Day throughout the Term to reflect changes in Forward Market Prices. Such updated data will be provided to the BGS-LFP Supplier upon request.

Table 3 contains historical data on the ratio of On-Peak to Off-Peak energy prices at the MISO Illinois Hub.

Table 4 contains historical data reflecting the basis between the MISO Cinergy Hub and the MISO Illinois Hub.

Table 5 contains the forecast BGS-LFP Load (in MWh per Tranche) for each month during the Delivery Period, divided into On-Peak and Off-Peak components. The Companies will update these data on a monthly basis throughout the Term.

The Companies will, each Business Day throughout the Term, recalculate the MtM Exposure Amount based on the data in Tables 1 and 3 and, as revised throughout the Term, the data reflected in Tables 2, 4 and 5. Table 6 demonstrates the calculations that will be used to calculate the MtM Exposure Amount in this manner, based on the data contained in Table 2 as shown in this Agreement. The MtM Exposure Amount is equal to 1.1 times the sum of the MtM exposures for each month remaining in the Term.

APPENDIX F – SAMPLE GUARANTY

THIS GUARANTY (this "Guaranty"), dated as of _____, 20__, is made by _____ (the "Guarantor"), a _____ organized and existing under the laws of _____, in favor of Central Illinois Light Company d/b/a AmerenCILCO, Central Illinois Public Service Company d/b/a AmerenCIPS, and/or Illinois Power Company d/b/a AmerenIP (each a "Guaranteed Party" and collectively, "Guaranteed Parties"), a corporation organized and existing under the laws of the State of Illinois.

Terms not defined herein shall have the meanings given to them in the BGS-LFP Supplier Forward Contract(s) dated _____, 20__ (as amended, modified or extended from time to time, the "Agreement(s)"), between the Guaranteed Parties and _____, a _____ organized and existing under the laws of _____ (the "BGS-LFP Supplier"). This Guaranty is made by Guarantor in consideration for, and as an inducement for the Guaranteed Parties to enter into, the Agreements with the BGS-LFP Supplier. Guarantor, subject to the terms and conditions hereof, hereby unconditionally, irrevocably and absolutely guarantees to the Guaranteed Parties the full and prompt payment and performance when due, subject to any applicable grace period, all obligations of the BGS-LFP Supplier to the Guaranteed Parties arising out of the Agreement(s). Without limiting the generality of the foregoing, Guarantor further agrees as follows:

1. The Guarantor, as primary obligor and not merely as surety, hereby irrevocably and unconditionally guarantees the full and prompt payment when due (whether by acceleration or otherwise) of any sums due and payable by the BGS-LFP Supplier as a result of an Event of Default under the Agreement(s) (including, without limitation, indemnities, damages, fees and interest thereon, pursuant to the terms of the Agreements). Notwithstanding anything to the contrary herein, the maximum aggregate liability of the Guarantor under this Guaranty shall *Option 1* [in no event exceed _____.] *Option 2* [in no event exceed the lesser of [the credit limit amount] or the sum of the Total Exposures Amounts under the Agreement(s).] All such principal, interest, obligations and liabilities, collectively, are the "Guaranteed Obligations". This Guaranty is a guarantee of payment and not of collection.

2. The Guarantor hereby waives diligence, acceleration, notice of acceptance of this Guaranty and notice of any liability to which it may apply, and waives presentment and all demands whatsoever except as noted herein, notice of protest, notice of dishonor or nonpayment of any such liability, suit or taking of other action by any Guaranteed Parties against, and any other notice to, any party liable thereon (including the Guarantor or any other guarantor), filing of claims with a court in the event of the insolvency or bankruptcy of the BGS-LFP Supplier, and any right to require a proceeding first against the BGS-LFP Supplier.
3. The Guaranteed Parties may, at any time and from time to time, without notice to or consent of the Guarantor, without incurring responsibility to the Guarantor and without impairing or releasing the obligations of the Guarantor hereunder, upon or without any terms or conditions: (a) take or refrain from taking any and all actions with respect to the Guaranteed Obligations, any Document or any person (including the BGS-LFP Supplier) that the Guaranteed Parties determine in their sole discretion to be necessary or appropriate; (b) take or refrain from taking any action of any kind in respect of any security for any Guaranteed Obligation(s) or liability of the BGS-LFP Supplier to the Guaranteed Parties; or (c) compromise or subordinate any Guaranteed Obligation(s) or liability of the BGS-LFP Supplier to the Guaranteed Parties including any security therefor.
4. Subject to the terms and conditions hereof, the obligations of the Guarantor under this Guaranty are absolute, irrevocable and unconditional and, without limiting the generality of the foregoing, shall not be released, discharged or otherwise affected by: (a) any extension, renewal, settlement, compromise, waiver, consent, discharge or release by the BGS-LFP Supplier concerning any provision of the Agreement(s) in respect of any Guaranteed Obligations of the BGS-LFP Supplier; (b) the rendering of any judgment against the BGS-LFP Supplier or any action to enforce the same; (c) the existence, or extent of, any release, exchange, surrender, non-perfection or invalidity of any direct or indirect security for any of the Guaranteed Obligations; (d) any modification, amendment, waiver, extension of or supplement to any of the Agreement(s) or the Guaranteed Obligations agreed to from time to time by the BGS-LFP Supplier and the Guaranteed Parties; (e) any change in the corporate existence (including its constitution, laws, rules, regulations or powers), structure or ownership of the BGS-LFP Supplier or the Guarantor, or any insolvency, bankruptcy, reorganization or other similar

proceedings affecting the BGS-LFP Supplier or its assets, the Guarantor or any other guarantor of any of the Guaranteed Obligations; (f) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the BGS-LFP Supplier, the Guaranteed Parties or any other corporation or person, whether in connection herewith or in connection with any unrelated transaction; provided that nothing herein shall prevent the assertion of any such claim by separate suit or compulsory counterclaim; (g) the invalidity, irregularity or unenforceability in whole or in part of the Agreement(s) or any Guaranteed Obligations or any instrument evidencing any Guaranteed Obligations or the absence of any action to enforce the same, or any provision of applicable law or regulation purporting to prohibit payment by the BGS-LFP Supplier of amounts to be paid by it under the Agreement(s) or any of the Guaranteed Obligations; and (h) except for a failure to comply with any applicable statute of limitations, any other act or omission to act or delay of any kind of the BGS-LFP Supplier, any other guarantor, the Guaranteed Parties or any other corporation, entity or person or any other event, occurrence or circumstance whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of the Guarantor's obligations hereunder.

5. The Guarantor hereby irrevocably waives (a) any right of reimbursement or contribution, and (b) any right of salvage against the BGS-LFP Supplier or any collateral security or guaranty or right of offset held by the Guaranteed Parties therefor.
6. The Guarantor will not exercise any rights, which it may acquire by way of subrogation until all Guaranteed Obligations to the Guaranteed Parties pursuant to the Agreement(s) have been paid in full.
7. Subject to the terms and conditions hereof, this Guaranty is a continuing one and all liabilities to which it applies or may apply under the terms hereof shall be conclusively presumed to have been created in reliance hereon. Except for a failure to comply with any applicable statute of limitations, no failure or delay on the part of the Guaranteed Parties in exercising any right, power or privilege hereunder, and no course of dealing between the Guarantor and a Guaranteed Party, shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege. The rights, powers and remedies herein expressly provided are cumulative and not

exclusive of any rights, powers or remedies, which a Guaranteed Party would otherwise have. No notice to or demand on the Guarantor in any case shall entitle the Guarantor to any other or further notice or demand in similar or other circumstances or constitute a waiver of the rights of a Guaranteed Party to any other or further action in any circumstances without notice or demand.

8. This Guaranty shall be binding upon the Guarantor and upon its successors and assigns and shall inure to the benefit of and be enforceable by the Guaranteed Parties and their successors and assigns; provided, however, that the Guarantor may not assign or transfer any of its rights or obligations hereunder without the prior written consent of the Guaranteed Parties. The assignment rights of the Guaranteed Parties will be in accordance with any applicable terms of the Agreement(s).
9. Neither this Guaranty nor any provision hereof may be changed, waived, discharged or terminated except upon written agreement of the Guaranteed Parties and the Guarantor.
10. The Guarantor's liability as guarantor shall continue and remain in full force and effect in the event that all or any part of any payment made hereunder or any obligation or liability guaranteed hereunder is recovered (as a fraudulent conveyance, preference or otherwise) rescinded or must otherwise be reinstated or returned due to bankruptcy or insolvency laws or otherwise. If claim is ever made upon the Guaranteed Parties for repayment or recovery of any amount or amounts received from the Guarantor or the BGS-LFP Supplier in payment or on account of any of the Guaranteed Obligations and the Guaranteed Parties repay all or part of such amount by reason of (a) any judgment, decree or order of any court or administrative body having jurisdiction over such payee or any of its property, or (b) any settlement or compromise of any such claim effected by such payee with any such claimant (including the Guarantor), then and in such event the Guarantor agrees that any such judgment, decree, order, settlement or compromise shall be binding upon it, notwithstanding any revocation hereof or the cancellation of the Agreement(s) or other instrument evidencing any liability of the Guarantor, and the Guarantor shall be and remain liable to the Guaranteed Parties hereunder for the amount so repaid or recovered to the same extent as if such amount had never originally been received by the Guaranteed Parties.

11. Subject to Paragraph 10, this Guaranty shall remain in full force and effect until all Guaranteed Obligations have been fully and finally performed, at which point it will expire. The Guarantor may terminate this Guaranty upon thirty (30) days prior written notice to the Guaranteed Parties which termination shall be effective only upon receipt by the Guaranteed Parties of alternative means of security or credit support, as specified in the Agreement(s) and in a form reasonably acceptable to the Guaranteed Parties. Upon the effectiveness of any such expiration or termination, the Guarantor shall have no further liability under this Guaranty, except with respect to the Guaranteed Obligations arising or created prior to the time the expiration or termination is effective, which Guaranteed Obligations shall remain guaranteed pursuant to the terms of this Guaranty until finally and fully performed.
12. All notices and other communications hereunder shall be made at the addresses by hand delivery, by the next day delivery service effective upon receipt, or by certified mail return receipt requested (effective upon scheduled weekday delivery day) or telefacsimile (effective upon receipt of evidence, including telefacsimile evidence, that telefacsimile was received)
